Mr. Weisberg,

I thought I had read somewhere in your latest book or related materials that you sent the N.Y. Times Book Review Department a copy to review. After waiting for such a review I sent a letter inquiring as to why your book hadn't been discussed. This is the reply I received (see other page), if I was correct you may want to follow this up with Mrs. Pamela Marke.

If you are going to be on Jack McKinney's Night Talk in the near future, would you drop me a line. Because of another meeting I missed you at the Suburban Jewish Community Center in Havertown on the 19th of Sept.

Take care,
